Lower Level Phase: Approval from the Department of Computer Science is not required to take the classes listed in the Lower Level Phase, which include the following:

MATH 151, MATH 152, ENGL 104, CPSC 111 and CPSC 211

Upper Level Phase: To qualify to take the remaining Computer Science courses, as listed below, a minor must have a 2.75 GPR overall and earned a 2.75 GPR in the five lower level courses.

Complete the following courses with C or above:

CPSC 311 - 3 credits
CPSC 321 - 4 credits

Complete one course from:

CPSC 310 - 3 credits
CPSC 420 - 3 credits
Or any 400 level course (Computer Science) numbered between
400 and 480 (3 credits).

Further requirements:

Prerequisites: MATH 302 is the prerequisite for CPSC 311.

Prerequisites: ELEN 220 is the prerequisite for CPSC 321.

Reviewed and approved by Computer Science Department Advisor and Department Head:
